

Technician of the Year Award 2019

IOM³ are seeking applicants for the Technician of the Year Award for 2019.

The awards are open to all those currently studying materials or minerals technology or related subjects and those who have completed such courses within the last two years. There is no age barrier.

If you are interested in entering, please contact:

Anita Horton at IOM³ on 01476 513886 or by email anita.horton@iom3.org for further details.

Closing date for applications: Friday 20 September 2019.
