Midland Institute of Mining Engineers’ 17th ANNUAL SAFETY SEMINAR

Part of the remit of the Midland Institute of Mining Engineers (MIMinE) is to provide a conduit for the sharing of experience and disseminating information, particularly regarding health and safety issues within the industry. In order to facilitate these important matters, MIMinE is holding its 17th Safety Seminar, with technical papers of relevance to mining and mineral extraction.

This annual event attracts a diverse audience which includes senior personnel, procurement managers, trade unionists, students and apprentices. The event also features company exhibition stands and ample opportunities for delegates to network during break times.

Anticipated papers to be presented include:

Sebastian Kumpfmüller - Dr Sauer & Partners
